Dear Podzcerwinski family and friends of Danny,

I feel truly honored and blessed to have received your financial assistance from the Podz fund. It most certainly motivates me to work even harder in my coming senior year knowing that another family believes in me.

Reading about Danny really means something to me. Although I never knew him I can relate to his situation. Just last Summer I lost somebody very important to me, my best friend Matt ~~Podzcerwinski~~ who I've known since preschool passed away unexpectedly due to a heart condition I didn't know about.

This loss has brought great pain to me all year knowing that someone I have played basketball with and truly enjoyed being around would never see his seventeenth birthday. He has truly made the greatest impact on me in my life and has shown me to enjoy living because we only get one chance.

I'm sure Danny was the same way and was a great person who was taken away from us too soon. I understand the pain his family and friends felt and are still dealing with. When I first heard I was receiving the financial aid in Danny's name I truly felt as if he has met Matt in heaven and is looking out for me.

Thank you for helping my family pay for Benet with your generous gift. I appreciate it so much.

I will have Danny and his family in my thoughts and prayers my senior year and always.

Sincerely,

Kyle ~~Podzcerwinski~~
